

PGJMC : Post Graduate Diploma(JOURNALISM & MASS COMMUNICATION)

Programme Type PGDIPLOMA

School School of Journalism and New Media Studies

Duration 1 Year

Medium ENGLISH

Specialization JOURNALISM & MASS COMMUNICATION

Description PGJMC is a programme for those who want to learn and upgrade their skills in communication, journalism and allied fields. It is also an opportunity for working professionals to enhance and update their knowledge and get a formal degree for it. This programme is also aimed at general learners who want to have an understanding of the society and media's role in it, especially in a fast paced, technologically oriented world.

Eligibility The eligibility criteria for joining the programme are as follows:

- Bachelor's degree in any subject.
- The learners must have the knowledge of English language and should be able to express themselves in simple correct English.

The learners should possess working knowledge of computers – MS Office and other simple software and should have internet access.
